### AKrow face reveals?!

On October 11th, Enivya and rounded entertainment got a content ping to watch a new stream. What nobody expected though, was a co-stream with Anna and AKrow together???? Obviously AKrow had just gone to Denmark, but as far as everyone knew... He wasn't with Anna. Except, he was! The silly silly akrow was as RED as a Christmas Tree and this was the FIRST TIME he had revealed his face to the greater audience!!!! He was actually wearing a wig during the stream to cover his baldness, as said by the man himself – very nice to see him confident like this, go you AKrow.

"Wasn't expecting akrow to do a face reveal, very crazy very cool very unexpected. doing it on Anna's stream is very cool. Anna x Akrow forever" - akram

"Wow that's like so cool, Akrow showed his face n stuff. Sounds like a big deal" - Meg (333.t)

" Atleast now we know that he ain't bald and 🤔 " - rose

# AKROW AND ANNA ARE DATING?!

On the same fateful stream that face revealed akrow, they also announced their new relationship. A lot of people saw it coming but didn't see that it came with a surprise!

"Happy for them, hope they have a good life together in the following times" - plague

“This is so great, I’m so happy for them! AKROW I TOLD YOU!

Also guys iykyk I made this happen so I’d like to thank my fans (Sam and Valentina) for making this possible, I couldn’t have done this without you!” - Meg (333.t)

"Im really really really happy for both of them 💖 FINALLY WE HAVE THE BEST COUPLE OF 2025 TOGETHER!!!! Very happy for Orange and blue!!! And btw Anna, anna anna anna anna.... when are we hoping on phasmo" - cvtebibi

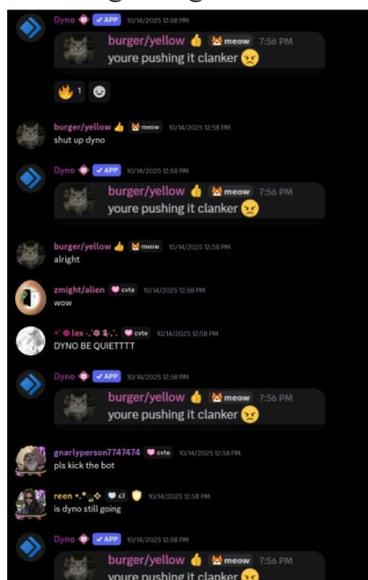

"i am so happy for akrow and anna, they deserve all the happiness in the world and i also expect a invitation when the wedding rolles around" – petrah

“this is all my fault” - Valentina

# Bots going rogue in RE/Enivya?!

On October 14th, at 12:58 (EST) Dyno started going rogue! Was it because staff switched to Sapphire to moderate users? One will never know. The one thing we do know, however, is that the dangers of automated machines gaining sentience is a real concern...

## Pet Appreciation

“This is my silly little doggy Luna!! She is a whole 7 years old. "back in the old days" (2018) i was visiting China for the 3rd time! Me and my family were just sitting in a cafe when my dad got a message from a friend that her dog just gave BIRFFF!!!! Lucky for me Luna was one of the 2 puppys that were birthed!! Once i got back from my vacation i saw that little cute bean and couldnt get enough of her. My mom and i say she has olive looking eyes wich is a true fact. Oh and also, she has 2 looks: Long fluffy hair wich i like to make into a mowhawk, and her really short hair wich makes her look like a rat either way i love her very much” - bibi
