The sun ran away from Valentina

Suddenly the sun ran away from Valentina, it hid behind the clouds and a few days later it came to do a supernova and then vanished again. The sun is afraid of her or something because why leave again :(

Pee

“Pee”, this was the name of the role Ethan got when we lost the gradients in Enivya on the 19th of March again, they gradients came back soon after thanks to our amazing boosters! Ethan kept his amazing pee role which also looked like pee! Anna gave everyone permission to spam ping the role so Ethan got about 150 pings!

QUIZ

Pet Appreciation Credit: Samra (@sillymara_)

Basically the way I got her is kinda silly, so like a few months ago Billu kept showing up around my house and stuff, she was very pregnant and she used to always hide under my bed, but we couldn't keep her :(later on we (my family) went on a vacation and left my aunt in the house. When we left for the airport, Billu somehow got in our house. now, my aunt alone can't keep a pregnant cat. So she tried to move her away, but Billu didn't move. later that evening, Billu gave birth under my aunt's bed 🐾🐾🐾🐾🐾🐾🐾🐾🐾🐾🐾🐾
okay so NOW my aunt can't possibly kick her out cause then her babies and her would be in danger. So, she decided to keep her until we come back (or until they grow up) I named them Laddu (a south Asian sweet), Pudding and Caramel. they're all 7 weeks old now <3 Billu is a really calm cat :3 she isn't all that curious, but likes to scratch my shoes and stuff. she follows us around when she's hungry, and never has tried to actually harm us or something. she loves pets and always looks at me with puppy (or kitty? idk) eyes when I'm eating noodles TwT
