NEW HOMEPAGE & EMBEDS!

The newspaper's home page has been officially fixed, and the new embeds are making it easier than ever to check the past editions. The page is also looking amazing, all thanks to Valentina! Here's the link: <https://theroundivyantimes.wtf/>

“guys I'm so cool and awesome like look embeds so awesome and coop” - Valentina

Valentina personal role

On March 20th, Valentina was given a special role named “The queen valentina!”, but it was sadly deleted right after :(

“Bro thinks she’s Victoria or sumn” - Pure

Why no articles when Rose writes for the first time?!

This week, the newspaper has suspiciously low articles to write about, right when i write for the very first time. Do a backflip or something so that I have something to write about. Is this a curse? Am I never gonna have any articles to write about? I’m scared y’all..... AGHHH

"Right when Rose wants to write the newspaper no one is doing anything, why aren't you all doing her a favour" - Mia

"rose deserves better" - Shoko

Random Facts

Since I basically have nothing else to write about, here are some very interesting facts:

1. There are more stars in the universe than there are grains of sand on earth.
2. Allodoxaphobia is the fear of other people’s opinions.
3. The specks on strawberries are single seeds called achenes.

4. Sharks existed before trees.
5. The Eiffel Tower can grow taller in summer.

QUIZ

Pet Appreciation Credit: Mara (@maraaxx)

I got Menchie from my mom's friend when her kitty gave birth, and I noticed she was the only one not drinking the milk, so I was instantly drawn to her!! I named her Menchie after a YouTuber's cat that I watched at the time (I was like 10 DON'T BLAME ME) but around the house I call her Mench, Monch or Menchie Penchie(my fav). She's surprisingly a very social cat around adults but she's super scared of children. Whenever my cousins come over she hides under my bed :(. Moreover, she's the best thing that has happened to me and I hope I'll give her a nice life<3
