### April Fool's in AKrow's nest?

The Akrow's nest april fool's prank took a rather interesting turn when every member ended up owner of the server!

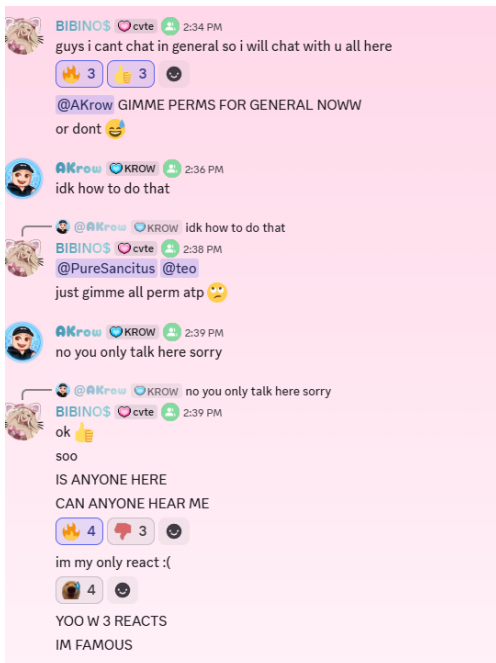

Truly an event of all time, Akrow has outdone himself with this retirement. Although after not long he decided to step back into the game once again, once again claiming his spot as the server's sole owner.

To be clear, this image is NOT April fool's! Pure and Valentina really are dating!!!!!!!!!! Even if he says it is not true, he is LYING. Believe me..."

“IM DELETING MY CHANNEL AND DEVEXING ALL MY ROBUX FOR MONEY INSTEAD CAUSE I AM GREEDY” – AKROW

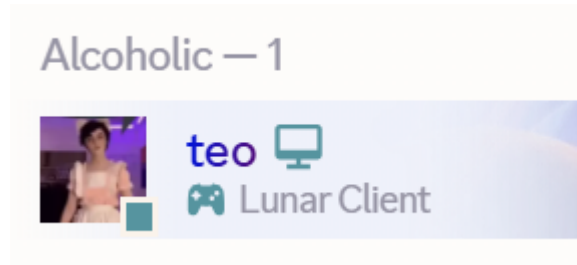

Honestly, the level of greed expressed here is asinine and he should be immediately cancelled, in fact, I am already going STRAIGHT (unlike AKrow harhar) to Twitter with this information. He MUST be cancelled for this – another controversial figure in the PLS Donate space... oh wait its April fools never mind I guess 😏 😏. Gosh, no one except Americans celebrate this anyway!! Like what is an April fool 😏 😏 😏.

Bibi, the strongest PLS Donator as the server owner in general chat.

# Femboy Teo?

Teo recently became a Femboy, I wonder what it is for? Rumours are suggesting it was an attempt at flirting with one of his co-workers in Akrow's nest! I wonder who that co-worker might have been.

"Alllllllll part of my mightyyy plan"- Teo

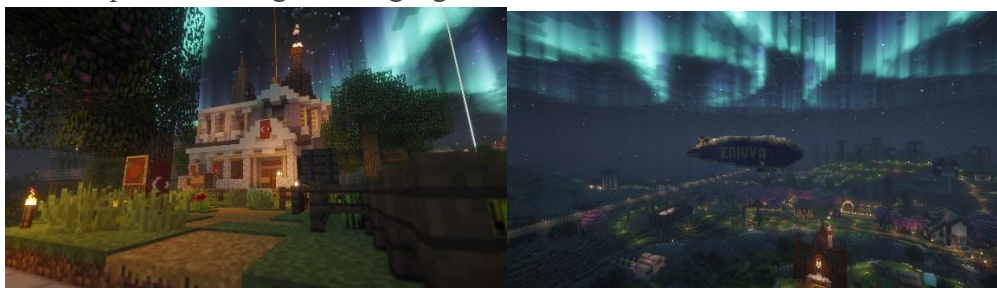

"Him being gay makes so much more sense now" - Pure

"I know he doesn't shower, this just puts the icing on the cake. Tell him to take it off and stop being a POSER." – Clem

# The Legacy of Dhaloi???

As I am sure that many of you are aware of by now, Dhaloi deleted all his accounts on discord. Initially it was opted to not make this story – however, the Newspaper team wanted to highlight his contributions to the paper one last time! He was one of the founding members and many of his ideas are still carried forward to this day, not only that, he hosted the newspaper out of his own pocket for most of its history. We obviously had to replace his method due to his departure, but his expertise was incredible and made delivering the newspaper much easier for you all. I wanted to end this by saying he is an awesome person and I hope he is doing amazing right now, here are some of his builds on the 'Enivya SMP'.

The blimp specifically in the image on the right.

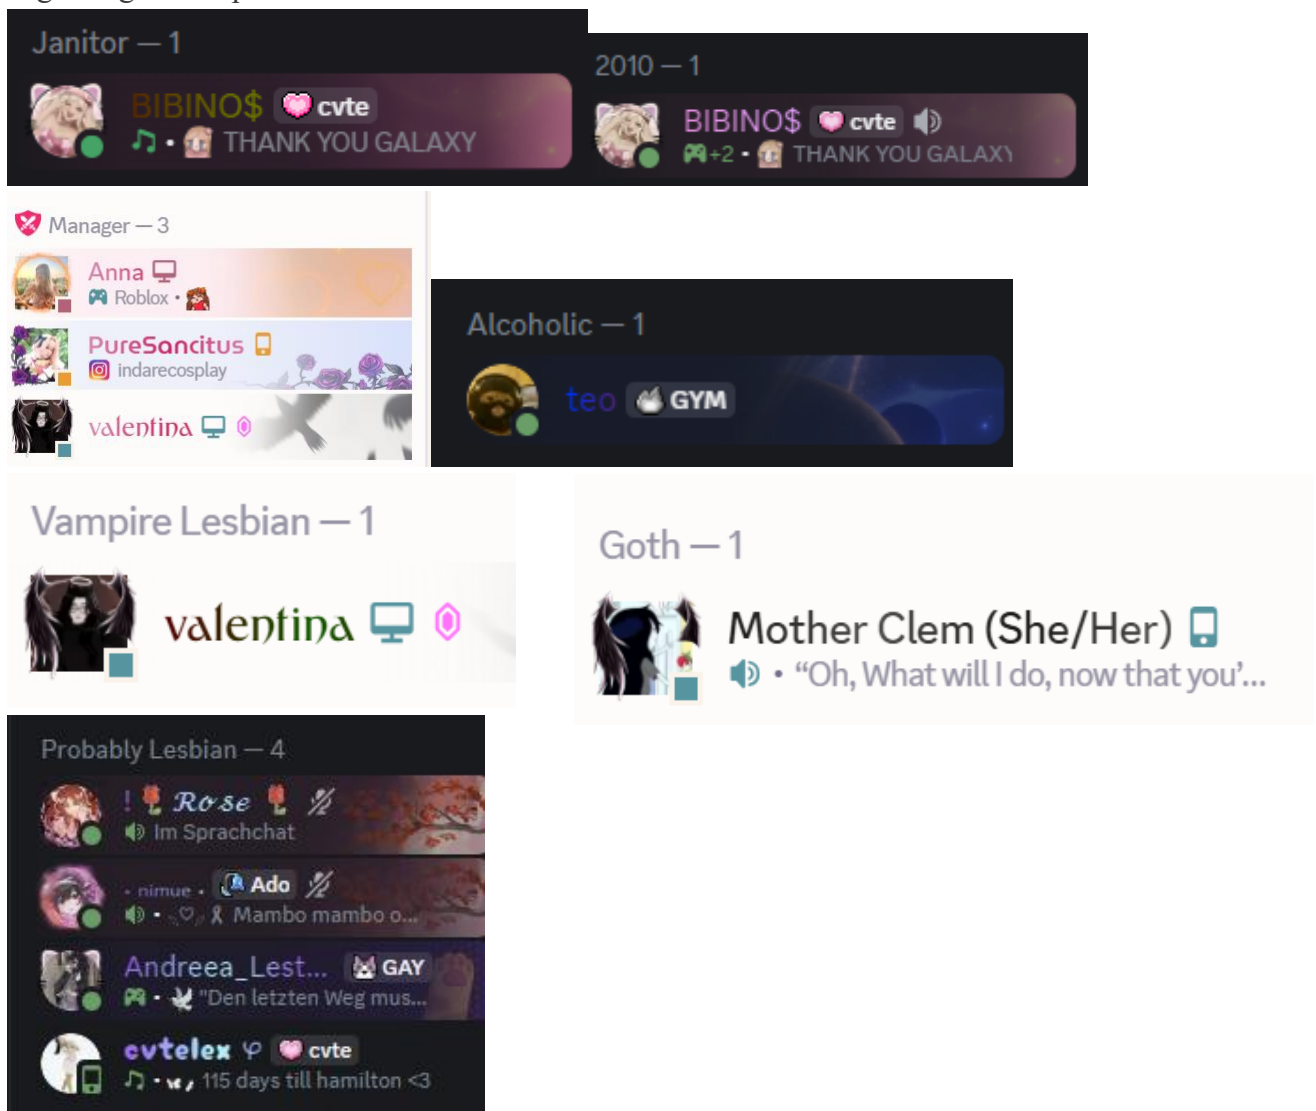

"i was the one to kill him" – envy

"dhaloi dhaloidhaloidhaloidhaloidhaloidhaloidhaloidhaloidhaloidhaloidhaloi" – blue"

NOOOOOOOOOOOOOOOOOOOOOOO. I don't know if this will reach him but dhaloi you are truly a cool dude. While I may have not been able to express it, I think you are a great person with great intentions and yes. burger out. Tesco" - burger

## Role Extravaganza!

Many custom role's were created out of the blue in AKrow's nest! Such as 'Probably Lesbian, 2010, Goth, Vampire Lesbian and Alcoholic' roles. This was a very entertaining period for the server where many users were seeking to acquire a Tesco role, others believed the role's were permanent and not just one silly joke – however, in the end, the roles would be deleted. The day before that Bibi also acquired the 'Janitor' role, which marked the beginning of this period in which roles would be created en masse.

On another note, why are images SO annoying in a word document??? Seriously. WHAT is this :(

“wow nice roles me next ayayayayaya” - Burger

“I want my pretty colours back 😊” - Andreea

“Cool 🍷” - Sltwna

“even tho i might look like piss and poo, i have more power than an admin MUHEUHEUE” - Bibi

“I was promised a cvtebibi role but I guesse 2010 is the same thing 😊” - Bibi

“She isn’t even doing her job, the toilets are filthy.” - Clem

"When are we getting Temporary Custom Roles" - Squir

“cool 🍷” – ali

## New Moderator!

Lex was promoted to mod, wow. So deserved! Can we fire her already? I am joking, she is awesome and it is very much deserved. #MIAOW

“why the new mod kinda...” – bibi omg get a ROOM, this doomed yuri needs a conclusion.

“Lex is such a good fit for the mod team! she is an amazing person and really deserves it, can you put the gun away now...?” – Valentina I am writing this, why am I a quote?

“LEXALOT LEXARUS LEXUS LILILOU LEFEY ALEXANDER HAMILTON MOD WOW WOOO she was already in the mindset of a mod beforehand so this is NOT surprising” – Nimue”

## Pet Appreciation Credit: shokalate

This is my demonic dog and his name is Jack but we call him Jack Jack like the baby from the Incredibles! My brother brought Jack Jack as a gift to my mom for Mother's Day but like my mom hated the idea at first but guess what she's so attached to him 🐶 Facts about Jack uhhh he's evil asf, me and him have a beef with each other because he bites me every time he sees me. He's sometimes sweet to me tho which I'm not used to and he really doesn't appreciate cuddles, that's why he's adopted. He's a good boy 🐶 (only to my parents and my siblings)
