### Anna hacks AKrow?????

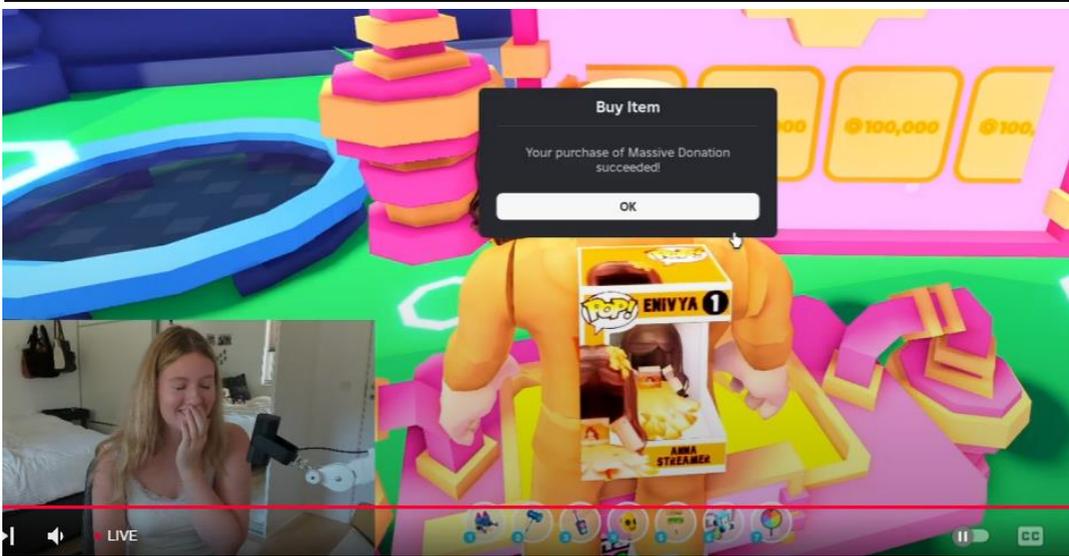

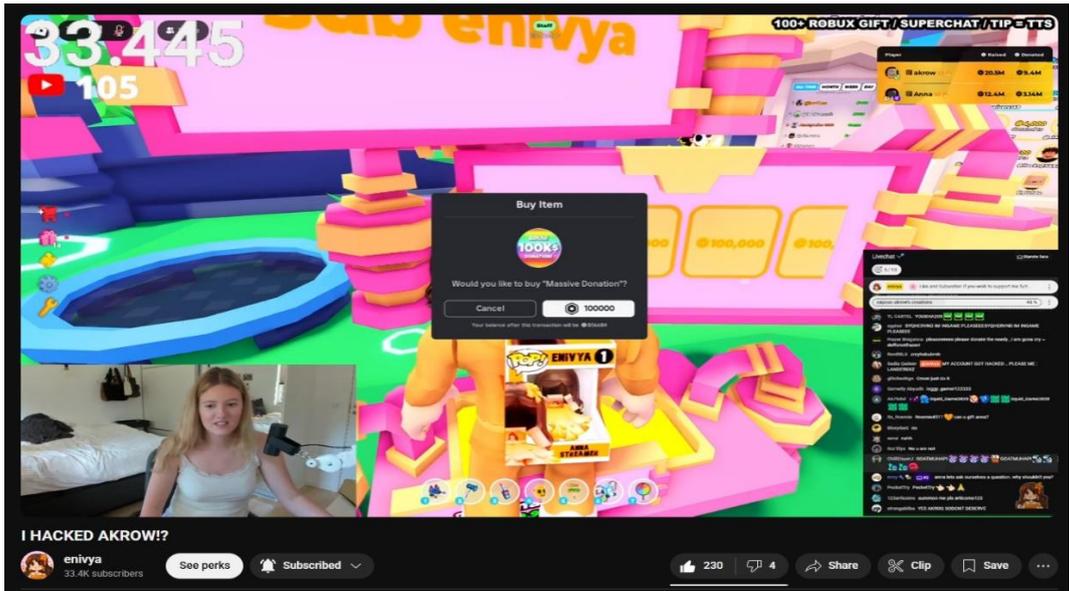

“When she clicked that 100,000 button i thought no way she'd do it... then she did it.” - AKrow

Anna recently streamed herself playing on AKrow's account under the pretence that she had hacked him – this was of great joy to her viewers who eagerly spammed their usernames in the chat with a complete disregard that they may be receiving stolen Robux. The stream was a lot of fun where she played both the Circle and Ink Game with the viewers. However, the highlight of the stream came when Anna donated her own account 100k Robux using AKrow's compromised account.

“i truly believe this shouldnt have been called "hacking" because it was THE enivya so she basically owns akrow and so his roblox account 😊” – Envy

“erm what... what does this even... she's live in 10 minutes??” – Akrow

“im such a bad person” – Anna

## Envy FARTED????

On July 13<sup>th</sup> Envy farted, this is his story...

okay so it was day like any there, my lazy bum ahh slacking like always, then this feeling of lack of something appeared which i realized was hunger, it was terrible feeling so i decided ill satisfy my humger by eating premade pizza, once i was done and satisfied my hunger it

was time to rest and then the inevitable struck... approximately 21 minutes and 37 seconds after finishing my pizza my stomach started growling and i knew what was coming... after about 20 seconds of it doing that the gasses in my body started piling up which resulted in me farting and finally achieving relief, my life hasnt been the same since and i think im scared for life 💔

## A quote from the writer

I am going to be honest – not much has happened this week. In light of this, I figured that I would do something a little different for this section!

“FORSAÑET HAEC OLIM MEMINISSE TVVABTT.”

But val, what the are you WAFFLING about you might be thinking? WELL OKAY you didn't even give me a chance, gosh :(

Anyways, this translates to “Perhaps someday we will look back upon these things with joy”. The reason I picked this quote because it perfectly encapsulates the community!! Right now we are just having fun, living in the moment, the best people I know all happen to be in this funny little community and it has brought me immense joy in not so joyful times. This reminds me that even if you find things tough now, in the future you might just be able to look back on all this and smile at all the fun you had and the friends you made. In fact, you are all so amazing and SLAY I could not even think of a better community - or one I would rather be part of. 💖
