TEO GOT A JOB!!!!

THE Teo got a j*b, he must have done really well on his job interview or bribed the interviewer I don't know but he has a job right under the bosses. That is a real achievement. Teo handles all returns for his firm, keeps track of where tons of product are at all times, collects phone orders, and sells products which is so much. Please wish Teo good luck at his job so he gets encouragement to actually stay there instead of leaving because we all know jobs can get boring or just too much sometimes.

"Don't buy too much alcohol, and have fun" - Tabby

"Camping is really fun with nature and stuff. One time when I was camping we saw a big fat snake while we were walking around checking for animals luckily it was dead." - bmo.benz

QUIZ

Pet Appreciation Credit: Dhamy

Hi this was my pet cat Naya. She was 3 years old and was actually given to me from one of my friends funnily enough. She always scratched everything in her path but she became well behaved after a while. She always played with a soft green ball and it was her favourite toy but it got her quite hyperactive. She was really cool and it was nice having her.
